

ABDUL REHMAN

Hasilpur, Pakistan

DOB: 24-02-1998 Marital Status: Single

Mobile: 03049814277

Email: rehmanch7125@gmail.com

OBJECTIVE

I have an excellent academic record, ability to understand and test software, and a strong understanding of core internet technologies. Moreover, I am hard-working, organized, energetic, a team player, accommodating and serious about what ever work I do. I have also taken many financial management related courses (that includes financial management, HR management, fundamentals of marketing etc.) and have a good understanding of how a banking system works. So, I am looking forward to work in this sector to learn new skills and assist and support administrative staff in their day-to-day operations.

EDUCATION

Bachelors (Computer Science), GCUF Sahiwal Campus (2016-2020)

Intermediate (ICS) Punjab College Chishtian (2014-2016)

PROJECTS

Title	: Eco Home Reliable Application Integrated with Firebase
Description	: I developed an application that provides a platform for general public to hire a service provider (like electrician, plumber etc.) with ease. The application maintains the ratings of the service providers to help their customers in getting a reliable and quality service. This project also helped me to understand how different financial transactions (debit/credit) happen and what is their importance.
Duration	: 6 Months (Jan 2020 – June 2020)
Role	: Developed Screens and Integrated Firebase API
Title	: Vehicles Discussion Forum Php based, integrated with MySQL
Description	: I have designed this web platform to discuss about vehicles quality and experience. The front-end is designed in Php and MySQL database is used.
Duration	: 2 Months (Jul 2020 – Aug 2020)
